

## **BTEC SUMMER TASK**

### **TASK A**

- Create **A Skills Audit**.

What are the vital skills required to be a successful musical theatre performer in **a specific musical of your choice** under the headings of Acting, Singing and Dance. Rank these skills in terms of importance to being cast in this musical if you were at a professional audition for it, regardless of role.

### **TASK B:**

- Create a short TikTok style dance to the following track:

#### **Overthinking by Mabel, 24kgoldn**

- Your dance should include all of the physical skills listed and it should be easy enough to teach other students.
- Flexibility
- Strength
- Alignment
- Balance and co-ordination

### **TASK C**

- Write a short introduction to yourself or create a short video of yourself highlighting which skills you feel most accomplished at as a Performing Arts student, which areas you want to develop further, and anything else you would like us to know about you.
