

Online Safety: Staff Briefing

Spring 2023

This is a termly staff briefing produced by Knowsley CLCS, it is designed to update school practitioners with some of the latest research and resources to support the delivery of online safety in schools.

Teaching Online Safety in Schools

This non-statutory guidance outlines how schools can ensure their pupils understand how to stay safe and behave online as part of existing curriculum requirements. The guidance was updated on the 12th January 2023.
