## Information for Parents, Carers & Students

Dear Parents, Carers & Students,

In the event that the school has to close as part of an emergency plan of action (whether this is due to extreme weather conditions or other reason). The school will aim to notify you of any enforced closures as early as possible (assuming all your contact details held on our School Database are up to date). However, the status of the school's ability to open, and ensure the safety of its Students and Staff, can change within a short time frame. The following methods should be used as a way to receive information regarding the school's opening status if ever you are concerned. You are advised to check **ALL**.

**Check School Website** <http://www.st-peters.bournemouth.sch.uk>

### Listen to Radio Stations

- Heart Frequency 96 - 107 FM
- Wave 105 frequency 105.2 FM

### Check Mobiles for InTouch text message.

You will only receive a text message if:

- You have **PARENTAL RESPONSIBILITY** for a student at the school  
**AND** you are the **PRIMARY** contact person for that student.
- You have supplied the school with an up to date mobile phone number.  
You can check these details on SIMS Learning Gateway (SLG).

*Becoming the best we can be*

## Check for InTouch Email.

You will only receive an Email if:

- You have **PARENTAL RESPONSIBILITY** for a student at the school.
- You have supplied the school with an up to date email address. You can check these facts on SIMS Learning Gateway (SLG).

**If these methods do not say anything to the contrary you may assume the school is open as normal.**

Yours sincerely,

Mr D J Todd  
Headteacher
